

REMARKS/ARGUMENTS

Favorable consideration of this application, as presently amended, is respectfully requested.

The claims are amended without prejudice to correct clerical error, and to delete “use of” Claims 13-16.

No new matter has been introduced.

Support for the term “or a salt thereof” can be found in [0010] page 6 of the English translation.

This application is now in condition for examination on the merits, and an early action is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
